## An Online Masters Program Designed for Adult Learners

More than half of our master's students are between the ages of 25 and 40. This fact demonstrates our success in catering to the needs of adult students.

Our completely online graduate programs provide scheduling convenience for adult learners with additional responsibilities, like families and careers. We also offer monthly course starts so you have the flexibility and choice of classes you need, when you need them.

You can count on us to deliver individual attention needed to help develop knowledge, critical-thinking, problem solving, and communication skills. Choose one of our quality, affordable, and convenient online masters programs to expand your education.

## Accreditation

Trident University International is a member of the American InterContinental University System. The System is accredited by the Higher Learning Commission (hlcommission.org), an institutional accreditation agency recognized by the U.S. Department of Education.

## Online Masters Degree Requirements

To be admitted into Trident's masters degree program, you must have a baccalaureate degree in a related field from an accredited institution with a minimum GPA of 2.5. You will be required to complete between 36 and 48 credits, depending upon the program you choose. Your studies will include a mix of elective and core courses specific to your program.
